

BLUEY'S CHRISTMAS CROWN

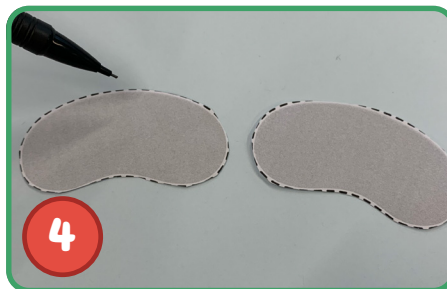

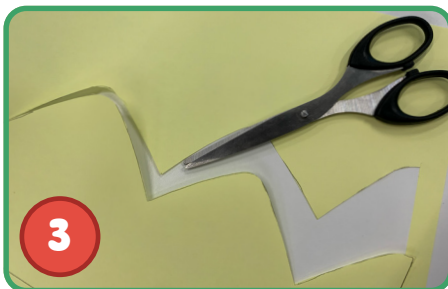

- You will need:**
- Red coloured paper
 - Scissors
 - Pencil or marker
 - White coloured paper
 - Glue

1. Print the crown template on the white piece of paper.

2. Cut out the crown from the template and use to trace two crown shapes on the coloured paper.

3. Glue the two pieces together to create the shape of the crown. Don't forget to measure the crown on your child's head to ensure the crown will fit just right!

4. Finish by cutting the eyebrows out of the template and gluing onto your red paper crown.

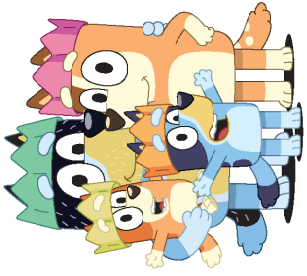

YOUR CHRISTMAS CROWN IS READY TO WEAR!

Tip: You can mix it up by choosing different coloured paper for the crowns.
