

BOOK BAG MAKE

PATTERN DOCUMENT

- This is a simplified version of the bag make:
- No embroidery parts
 - No back straps (just shoulder/hand straps)
 - Optional zipper

Fabric recommendation: cotton canvas, cotton twill, poly/cotton mix, linen, denim.

All seam allowances are 1cm, sewn using a regular straight stitch.

Topstitching is best done using a "patchwork stitch" throughout the project (a nice zigzag stitch or a straight stitch work too but might be more visible).
