

# Make your own Bluey & Bingo Castanets

GET READY TO JOIN THE  
PARTY WITH BLUEY ON  
KIDS MUSIC DAY  
FRIDAY 4TH OCTOBER 2024

## WHAT YOU NEED

- A piece of card
- A hole punch
- Scissors
- Coloured pens or pencils
- An elastic band or ribbon
- Glue
- 8 coins

## METHOD

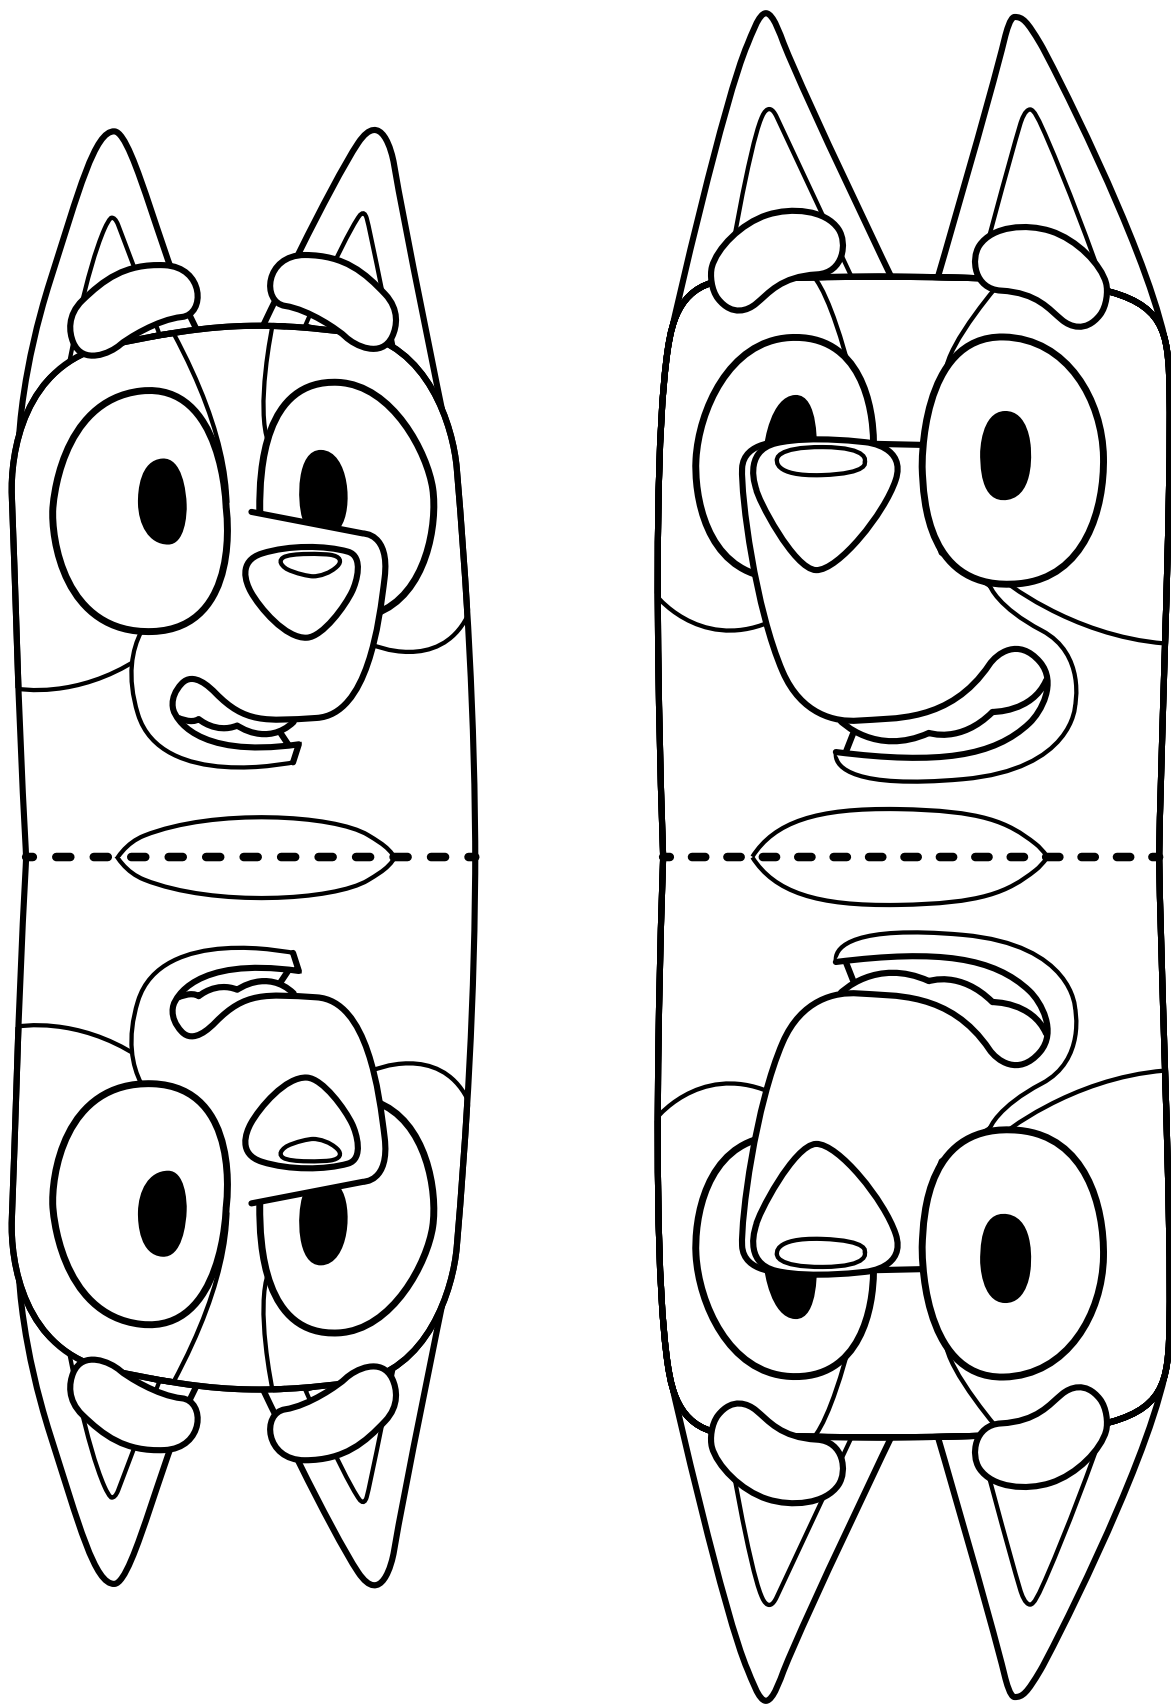

- 1 Start by choosing whether you want to make a Bluey or Bingo castanet. Print your design and colour it in.
- 2 Glue your coloured-in character to the card and fold the card in half.
- 3 Cut around your character while the cardboard is still folded (big person only please).
- 4 While keeping the card folded, ask a big person to use scissors or a hole punch to make two holes at the base.
- 5 To attach the straps, feed your ribbon through the holes on either side and tie a knot to hold it in place. Use your hand to check the amount of space you need to get your fingers through the gap.
- 6 Glue a row of four coins on the inside edge of each castanet. These will make the clacking sound when they connect, so make sure they are in the same area on both sides.
- 7 Now you are ready to use your castanet. Wa-hoo!
