

Make your own Bluey Maraca

GET READY TO JOIN THE
PARTY WITH BLUEY ON
KIDS MUSIC DAY
FRIDAY 4TH OCTOBER 2024

WHAT YOU NEED

- A small plastic water bottle
- Beads, lentils or rice
- A toilet roll
- Newspaper
- PVA Glue
- Paint
- Paintbrush
- A glue gun

METHOD

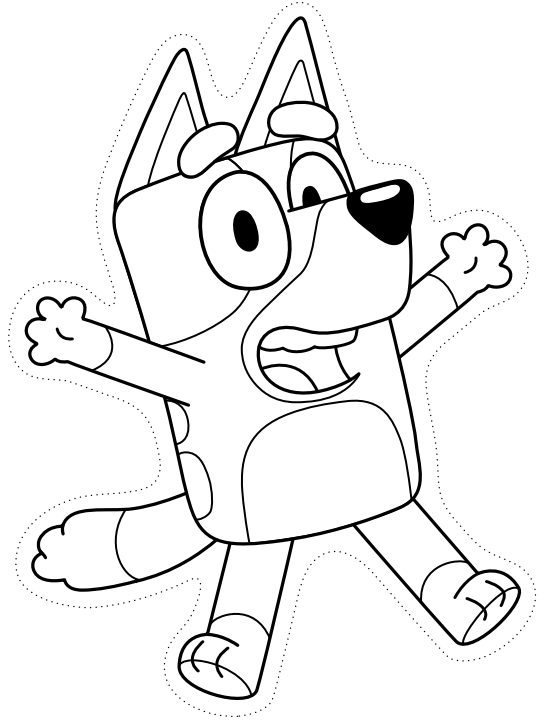

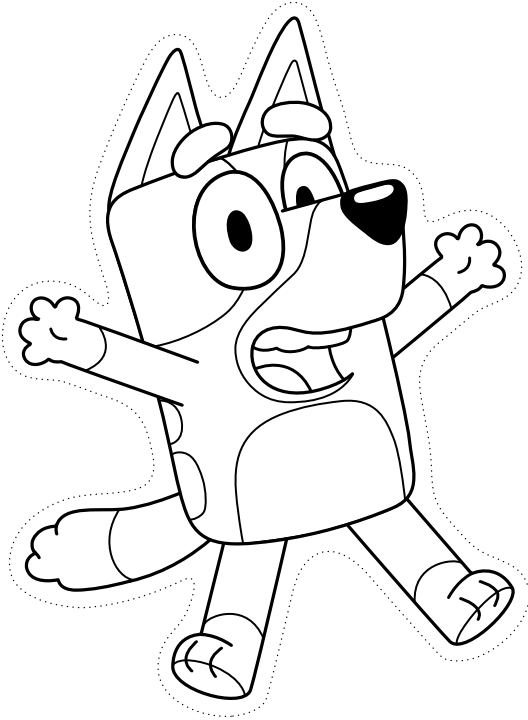

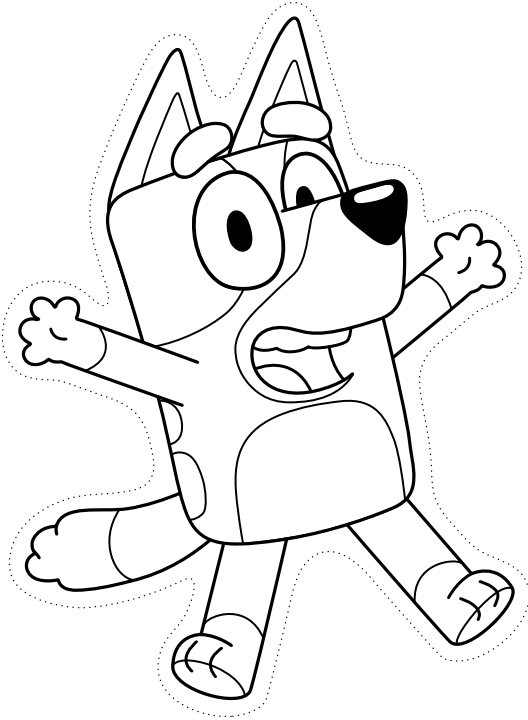

- 1 Wash your bottle, then fill it a third of the way up with beads or rice.
- 2 Ask a big person to glue around the rim of the toilet roll with a glue gun and stick it the neck of the bottle.
- 3 Cut out several strips of newspaper and glue them around your bottle (big people only please). Leave to dry for an hour or two.
- 4 While the maraca is drying, print out the Bluey characters and colour them in.
- 5 Optional: Paint another layer of glue on the bottle. This will toughen it up.
- 6 Once dried, you can start to paint your maraca with your favourite colours.
- 7 When the paint has dried you can glue on your Bluey characters.
- 8 Your maraca is ready for a shakin'. Wackadoo!
